TRAINING CLASSES HELD AT NASH COMMUNITY COLLEGE

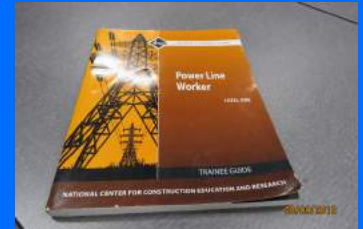

Benefits of Working as a Electrical Utility Lineworker Making Steady Pay

- Support your family
- Save Money to Buy a House or Car
- Enjoy Financial Stability
- Travel for special work assignments - U.S. and International

The Program

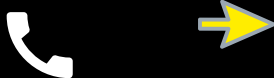

AIOF Dream Creators Program helps support job seekers who want to participate in a training program by providing incidental monetary support, ranging from paying for safety gear to helping secure transportation

Dream Creators also provides financial literacy training and other life skills to prepare the students for a successful and financially stable life

Dream Creators will help cover expenses related to CDL Training, introductory programs, and tuition through loans and scholarships
